# Foster Homes Needed!

Can we stay with you?

**VOICE FOR THE ANIMALS** is a non-profit rescue organization in desperate need of good, caring foster homes for some of the many cats, kittens, dogs, and puppies that we have saved from the city streets and shelters. Maybe you really love animals but just can't have one of your own... how about becoming a foster parent? Give one of these wonderful animals a nice, comfy place to stay until he or she can find the perfect family to adopt them. We pay for all medical and food expenses, so all you have to do is give your love and attention!

If you are interested in becoming a foster parent, please give us a call at (310) 392-5153 or email us at [info@vftafoundation.org](mailto:info@vftafoundation.org).
