VOLUNTEER PROTOCOL

We're grateful to have your help at our adoption site. We hope that you enjoy the experience and learn about responsible care for our animal companions.

We give community service hours for the work you do with us and ask that you read and understand the protocol necessary to receive those hours:

A parent or guardian must be present to sign the volunteer form on the first day you come to the site.

Arrive at the site at 9:30 am in order to help set up the site. If you arrive later than that, and we have too many volunteers, we will ask that you come back at another time.

If you leave the site during our adoption time (9:30 am to 1:30 pm) you must sign out and sign back in when you return.

There are no cell phone conversations allowed while you are a volunteer on the site. If you need to call for a ride, please tell our Site Supervisor and obtain her permission.

****In order to receive community service credit for four full hours, you must help with setting up and taking down the site.****

Please be aware that you are at the site to help the animals. Do not expect to spend your time sitting and talking.

By signing the front of this form, you acknowledge that you have read and understand this protocol and will abide by it.
